

- Our annual congress was in Lille in the north of France in October 2016. It was a real success and we heard interesting lectures about different subjects from CCM and classical voice teachers and have practiced a lot too.
- Our next congress will take place in Paris, in October 2017 and the planning is almost complete. It will be a special event which is the 30th anniversary of our association. We have invited a famous choir to sing in order to celebrate with our members.
- We will also take part in the first singing roadshow which will take place in parallel of our annual congress with half a day in common.
- After 6 years as president of AFPC-EVTA France Anne Constantin will leave her position and we will organise elections during the next extraordinary council.
- We sent 6 electronic newsletters to communicate with our members and published our yearly journal.
